

VIA CANADA RAIL

The rail journey from Winnipeg to Churchill offers travellers an unparalleled opportunity to experience Canada's remote northern wilderness in comfort. VIA Rail's Sleeper Plus service transforms the 45-hour adventure into a comfortable expedition, featuring private accommodation in single or twin sleeper cabins complete with onboard meals and access to the train's observation cars. As you glide through Manitoba's pristine boreal forests and tundra landscapes, you'll witness some of Canada's most untouched and breath-taking scenery from the comfort of heritage rail cars, making this journey as memorable as the destination itself.

SINGLE CABIN [196CM X 110CM]

Single cabins offer a compact, private retreat ideal for travellers who want a personal space without sharing.

- Configuration: A single seat during the day that converts into a bed at night.
- Shared access to toilet and shower at the end of the car
- Overhead area for baggage, suitable for carry-on sized items
- Window with blind
- Other amenities: fan, air conditioning, drinking water and towels, pillows, sheets and blankets supplied, 110V AC outlet
- *Some single cabins will require the passenger to climb a step of about 12 inches to access the room.

TWIN CABIN – BUNK BEDS [214CM X 152CM]

The Twin cabin is a popular choice for couples or friends travelling together, offering more space and comfort.

- Configuration: Two comfortable seats during the day that convert into upper and lower bunk beds at night.
- Private Facilities: Equipped with a sink and toilet inside the cabin. Shared showers are available in the car.
- Large window with blind
- Other amenities: small closet, drinking water, and towels, pillows, sheets and blankets supplied.
- *Upper beds require the passengers to climb a ladder with 4 steps to access their sleeping accommodation. This may not be suitable for persons with reduced mobility.

TWIN CABIN – TWO LOWER BEDS [275CM X 214CM] – ONLY ONE AVAILABLE

The twin cabin is a popular choice for couples or friends travelling together, offering more space and comfort, and accessibility with two lower beds.

- Configuration: One sofa and two seats during the day that convert into two lower beds at night.
- Private Facilities: Equipped with a sink and toilet inside the cabin. Shared showers are available in the car.
- Air conditioning
- Limited baggage space
- Large window with blind
- Other amenities: small coat closet, fan, drinking water and towels, pillows, sheets and blankets, 110V AC outlet, table available from on-board personnel – on request.
